A. Executive Committee

1) Proposed Voluntary SCCOG Assessment Using ARPA Funds

The Executive Director summarized his memorandum to the Executive Committee on this subject. He said this would be a voluntary assessment where SCCOG member municipalities would allocate 0.25% of their County Allocation of ARPA funding to support a Recovery Coordinator position at the SCCOG. He said a similar approach is being contemplated by other COGs in the state.

MOTION: That the SCCOG endorse the proposed voluntary assessment of all SCCOG member municipalities using 1% of their County Allocation of ARPA funding over a four-year period (0.25% per year) to support the creation of a Recovery Coordinator position at the SCCOG (Lyden, Urgo).

Mr. Nickerson asked when would the voluntary assessment be due to the SCCOG, noting that each town will have a different process and timeline for approval of use of ARPA funding. The Executive Director responded that there would be no deadline, but he would not advertise the position until he was sure sufficient funding would become available to support it.

Mr. Burt said that while he supported the proposal and concept of a Regional Recovery Coordinator, the Town of Groton might hire their own staff to perform this function.

Mr. Allyn asked what would happen if only a small number of towns provided funding for this purpose. The Executive Director stated that staff would continue to support all SCCOG members in their recovery efforts, and that he would work with the SCCOG Executive Committee to determine what specific additional support staff might give to those towns contributing, similar to how the SCCOG provides Planner services to specific towns that pay for this service.

The Chairman suggested that staff poll all SCCOG members to see if they think their municipality will eventually provide the requested voluntary assessment using ARPA funding to the SCCOG.

The motion was then voted upon and unanimously approved.

3) Draft Resolution No. 21-6 re: Grant Application by Cultural Coalition

The Executive Director explained the purpose of the proposed resolution, which would declare the Cultural Coalition to the SCCOG's Local Arts Agency, allowing it to make application the National Endowment of the Arts for a grant. Ms. Bury said if the NECOG provides a similar designation, the Cultural Coalition will apply for \$500,000. She further explained that this is a sub-allocation grant.

MOTION: That the SCCOG approve of Resolution No. 21-6, allowing the Cultural Coalition to make application to the National Endowment for the Arts for a grant (Nystrom, Nickerson). So voted unanimously.

4) SCCOG Endorsement of New London LOTCIP Project

The Executive Director reported on the status of New London's Williams Street at Broad Street roundabout LOTCIP project application and said that the Executive Committee has recommended that the SCCOG endorse this application to CTDOT for \$3,094,475 in LOTCIP funding.

The Executive Director explained the proposed amended FY 2021 SCCOG Budget. He said the proposed amendments are necessitated in large part by three new sources of revenue and associated expenditures not anticipated/defined at the time the original budget was drafted in November 2019, and a significant reduction in our OPM Regional Services Grant (RSG). In addition, the SCCOG incurred unexpected costs and realized savings due to COVID-19.

Mr. Salomone asked if there were any funds in the proposed amended budget that would fund the SCCOG staff's COVID recovery work. The Executive Director responded saying that there were none in the proposed amended FY 2021 budget, but that he was preparing a proposal for the Executive Committee and the SCCOG regarding municipal ARPA funding being dedicated for that purpose.

MOTION: To approve of the proposed amended FY 2021 budget as recommended by staff (Nickerson, Burt). So voted unanimously.

B. SCWA Request to SCCOG for Nominees

He said that the current member whose term is expiring is former North Stonington First Selectman Nick Mullane, who has indicated he would like to continue to serve on the SCWA.
